

Parents-

What a WONDERFUL Learning Fair! I am so proud of all the hard work our 4/5th graders put into this! Each and every one of our classmates went over and above with research and creating displays and art to share.

FEBRUARY READING CHALLENGE UPDATE: We made our 5,000 minute GOAL!!

WooHoo! 🎉 Everyone pitched in and we made 5,074 minutes as of Friday 2/27. We will set a day and time for our PIZZA Lunch soon! Stay Tuned!

Don't let up on the reading!! We will discuss as a class on Tuesday and vote on what our MARCH reading log incentive will be. Let's step into MARCH with a record # of minutes accrued for March 1 & 2!

MARCH BOOK REVIEWS: Each student will do TWO Book reviews for March. Stay tuned for more info.

Reminders for NEXT WEEK:

Monday: NO SCHOOL

Tuesday: HOT LUNCH

Friday: NO SCHOOL

WHAT'S NEXT-

Social Studies: We began our unit in our last region, Western Region.

Science- We began our Unit on NUTRITION. This is a continuation of our Heart Health discussion.

Math- FRACTIONS. Review of Adding and subtracting fractions and diving into multiplying and dividing fractions.

I hope you are having a wonderful weekend!

See you Tuesday!!

Blessings, Mrs. B
