🏃 🏃 Gentle reminders for our LSL Track Meet tomorrow at Concordia University:

TIME and PLACE

The track meet will take place in the stadium of Concordia University in River Forest. 7400 Augusta Street, River Forest.

We ask that all athletes target an arrival of **8:30am** for check-in and last minute information. The meet will start with Field Events at 9:00am.

TRANSPORTATION

We are hoping most athletes can get a ride to the meet from parents/guardians. If you have transportation needs, reach out to Coach Dembowski, me or another parent/guardian as I know many have offered assistance. You have done a great job communicating with one another. I feel a lazy "**bowler text thread**" text coming soon again!

UNIFORM

Man, we are getting some mileage out of the "**TEAM BETHESDA**" red shirts this year. Let's do it again. This way, we have uniformity for our kids AND they are easy to follow and support throughout the day. Usually, layering smart too with 9:00am being chilly and noon being warm sun.

PARKING

Attached is a map of the University. The parking garage is one great option. Another parking option is Division Street. Please pay close attention to the parking restrictions on the other streets as cars have been known to be ticketed.

TRANSPORTATION: Please make sure to check in with Mr.Mark about your child's ride to and from Concordia.

MAP TESTING: This week we will be doing our Spring MAP testing on Thursday and Friday with final testing next Monday.

(Stay tuned- we MAY add Wednesday this week in lieu of next Monday if K-3rd finishes their testing early enough.)

For testing days: Please make sure our 4th/5th graders are well rested and have a good breakfast before coming to school.
